For Immediate Release

The Minister of State and the Ministry of Home Affairs are pleased to announce the addition of 26 new vehicles to the Belize Police Department's fleet. The vehicles which are Isuzu D Max 2017 models are equipped with Police logos, lights, sirens, digital video recording and tracking systems.

This donation is made possible by the Government of the United States of America, through the Central American Regional Security Initiative (CARSI). The Government and people of Belize are grateful for this donation valued at over 1.6 million BZD as it will enhance the department's crime fighting efforts and will go a long way in making Belize a safer place.

These vehicles become a most welcome addition to the BPD's fleet and will be utilized for law enforcement purposes in compliance with the Bilateral Implementing Agreements for the vehicles between both governments.

They will be officially handed over at a brief ceremony to be held at the ITVET compound on Freetown Road, Belize City at 10:00am on Thursday December 1.
